

OPTIONAL CABINETRY STORY

HAND-CRAFTED. HIGH-QUALITY. FROM THE #1 NAME IN TRAILERS.

Pace American specializes in custom interiors for racers. Fine crafted and durable cabinetry is one of the many advantages you will find at Pace. Our in-house craftsmen

build the highest quality aluminum and formica cabinetry by hand. And they've satisfied

hundreds if not thousands of racers and car enthusiasts over the years. The style and beauty of our aluminum cabinetry can't be beat. Heavy-duty .030 gauge aluminum is used to create innovative, top-of-the-line cabinets that look and feel high-end. See your Pace American dealer for additional information about cabinetry and finished interiors.

Pace American specializes in custom interiors for racers and many other uses. Fine crafted cabinetry is one of the many advantages you'll find when you choose Pace. Our in-house craftsmen build the highest quality formica cabinets by hand. And they've satisfied hundreds of racers and car enthusiasts over the years.
